

RAC 2009 Volunteer Skills Survey

As part of the RAC family, your role within our community is very important. Our desire is to help you find a home which you can have a significant role. Your willingness to volunteer helps us to be good stewards of our donated resources. Please fill out this survey to help us better understand where you can fit into the community and service at RAC. If you have any questions please contact Pam Knoch at 419-738-2352 or 419-738-4916, *and thank you for your participation.*

"Completing this survey does not commit you to a job but it allows Riverside to have an idea of the talents that are available from the membership, and allows us to continue the nonprofit status for the art center".
