Opportunity to Display Your Work – The Wapakoneta YMCA has offered to display our members' artwork. Each piece you display should have a business card or an information card of same size attached with contact information, title of piece and price. We are going to set-up a special committee to help with the rotating of artwork; this will take place every two months. If you will be displaying, we will ask that you serve on the committee for that period to help with the rotating set-up. Please contact Linda Blosser for more information and initial set-up – (419) 738-6069.
